A woman with dark hair, wearing a purple blazer over a white top and a pearl necklace, is seated at a wooden desk in an office. She is looking down at a purple tablet computer. On the desk, there is also a black telephone and some papers. In the background, several framed certificates are hanging on the wall. The image is partially overlaid by a large purple and orange geometric shape on the left side.

HI THERE!

Series® is a modern, cloud-based school management system designed for the unique needs of schools in Kenya. Built with simplicity and performance in mind. It brings all your core operations into one connected platform from student admissions and academic tracking to automated billing, MPESA, Bank and SACCO payment integration, transport logistics, and parent communication.

Schools using Series® save time, reduce paperwork, and eliminate delays in fee collection. Everything runs in real time, and staff can access the system from any device - no IT team required.

Whether you're managing 50 students or 5,000, Series® grows with your school and gives you full control of your data, finances, and daily operations.

⌘ What Sets Us Apart

01 Finance Made Simple

Accurately invoice thousands of students in seconds. Auto-track M-Pesa, bank payments, and expenses. Eliminate reconciliation nightmares.

“
Series® cut our financial processing time in half. No more errors!
— Joseph , Bursar

02 Streamlined Operations

Digitize enrolment, attendance, and transport scheduling. Keep schedules synchronized in one dashboard.

“
Activities that used to take days. Now it's minutes!
— Judy, Principal

03 Empowered Teachers

Access to calendars and schedules, Ministry compliant grading and report cards. Direct parent communication

“
I spend more time with students now, not spreadsheets.
— Sarah, Teacher

04 Engaged Parents

Real-time access to grades, fees, activity updates and attendance — no more waiting for report form day. Build trust instantly.

“
I love seeing my child's activities and progress daily.
— Mukami, Parent
